Question 4.1

Given the fact that only people with a EU or Swiss or Canadian Nationality can obtain a EU security clearance, can eu-LISA confirm that we can't propose a CV from a US resource?

Answer 4.1

Only persons who are eligible to obtain EU Security clearance shall be proposed in phase 1 of the present call for tenders. For the implementation Section 3.6.6 of Annex IV Service Requirements states:

“All personnel of the contractor working for the contracting authority, including remotely from the contractor’s premises, must hold a valid security clearance at EU Secret level issued by a National Security Authority prior to providing services under the Framework Contract and for the entire period of the contract. “
